

# MARIONETINO

Welcome to the world of  
puppets and puppet theatres!

**Marionetino Theatres**  
open the door  
to a world  
where children's dreams  
come to life  
and imagination becomes  
the driving force  
for learning and exploration.

**"Imagination is more important than knowledge, for knowledge is limited., - *Albert Einstein***

The Marionetino puppet theatre is like  
a **bridge between generations**,  
as it connects children, parents, and grandparents.

# MARIONETINO Puppet Theatres

## develop key skills in children

### **Creativity and Imagination**

Puppet theatre encourages children to create their own stories, enhancing rhetorical skills and imagination.

### **Communication and Language Skills**

Playing with the theatre improves children's vocabulary and communication abilities.

### **Social and Emotional Development**

While playing with puppets, children practice empathy, learn to collaborate with others, and puppets help them express emotions and understand the feelings of others.

### **Fine Motor Skills Development**

Manipulating puppets helps develop a child's fine motor skills.
